ORDER:

In the reference 2nd read above, the Chief Engineer, Hydrology has submitted proposals for issue of No Objection Certificate in respect of M/s.Sagar Power Limited for establishing Mini Hydel Scheme for expansion/stand by unit with a capacity of 2MW in addition to the existing Mini Hydel Scheme located at M.2-3-330 of Guntur Branch Canal, after placing before the Standing Committee meeting held on 28.12.2013, along with recommendations duly mentioning certain conditions therein, in addition to the General and Technical Conditions issued vide reference 1st read above.

2. Government after careful examination of the proposal of Chief Engineer, Hydrology hereby issue “No Objection Certificate” to M/s.Sagar Power Limited, Hyderabad for establishing Mini Hydel Scheme for expansion/stand by unit with a capacity of 2MW in addition to the existing Mini Hydel Scheme located at M.2-3-330 of Guntur Branch Canal of Nagarjuna Sagar Project, subject to the following conditions in addition to the General and Technical Conditions already issued vide Para-5 in G.O.Ms.No.165, I&CAD(PW:Reforms) Department, dated:11.07.2007:-

- i) Design aspects have to look into formation of bunds if necessary on upstream and downstream, to avoid damages to adjacent villages taking into consideration of MWL fixed with respect to Design floods.
- ii) FRL & TWL of the schemes may affect the adjacent drains. As such, the required design parameters of the Mini Hydel Scheme should take into consideration of above aspects to see that the existing drains are not affected.
- iii) It is not the responsibility of the Government/I & CAD/NEDCAP/ etc., for the economic viability and projected generation on power as shown in the DPR, which was submitted by the Developer in issuing of NOC of the proposed scheme.
- iv) I&CAD will not hold any responsibility for profit/ loss of the project and assured sale of energy. In the above aspects, the developer has to own up responsibility for any purpose whatsoever.

P.T.O.,

- v) All the prevailing standards of Electricity Act and Rules & Regulations of the Government of AP/Govt of India issued from time to time shall be followed in various stages like finalization/selection of the equipment, etc.
 - vi) Developers shall be encouraged to bring latest technology and maximise output subject to the Hydrological factors and environmental flow factors.
 - vii) The Chief Engineer, Central Designs Organization shall ensure that designs approval are given in (15) days time, failing which the developer will be permitted to go ahead for execution as deemed approval.
 - viii) The royalty charges on water as applicable would be realized by the I&CAD on monthly basis.
 - ix) No claims or damages shall lie with the Government for the cancellation/suspension of N.O.C. for the reasons of River conservancy/flood management etc.
 - x) The Developer to commence the work within (6) months from the date of issue of N.O.C. and complete the Scheme within two years of N.O.C. failing which N.O.C. will be cancelled automatically.
3. The Engineer-in-Chief(Irrigation), Hyderabad shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
